Care to Share

Refer a friend or family member and each of you will receive a \$50 credit towards any visit.

We strive to exceed your expectations and if we've succeeded, we hope you'll let your friends and family know about our practice. Many of you do this every day and we wanted to show our appreciation by developing this special program. Please consider passing along one of our *Care to Share* cards.

Here's how it works:

If the friend or family member you refer becomes a patient, you'll receive a thank you in the form of a reward. For each patient you refer, each of you receive \$50 credit towards your next visit. Must be 20 years or older and complete a comprehensive non-emergency exam.

Print your own *Care to Share* card.
